If you're spending your ad dollars at some big advertising agency you might want to ask yourself this one sobering question. Is my ad agency increasing my sales?

After years of making large companies richer, I decided to go on my own.

I put all my creative experience and knowledge into Ads2go. Let's explore bold new alternatives, fresh new positionings for your service or product. Cutting edge, original, unique ideas and striking bold graphics are our agency mantra.

At Ads2go there's no unreal agency fees, no more layers of account executives that overcharge you with a smile for mediocre work.
